Due to the unavailability of several faculty members on 04th June, the Advanced Research Methodology (ARM) presentation on 4th June is rescheduled to 5th June 2024. This adjustment has been necessary to ensure the presence and participation of all the supervisors and research advisory committee members. We understand the importance of this presentation in our PhD scholars' academic progression, and we appreciate your flexibility in accommodating this change. If you have any concerns or conflicts due to this rescheduling, kindly let us know at your earliest convenience.
